All students of the SRH University belonging to the respective schools who are expected to be able to serve a term of office of one year from the start of the term of office are eligible for election (expected end of studies 31.03.2027 at the earliest).

#### *[Active voting right]*

All students affiliated with the SRH University of Applied Sciences HD are entitled to elect student representatives to the Academic Senate. All students belonging to the respective future school are entitled to elect student representatives for the respective School Councils.

The election procedure is based on electoral registers for the respective electoral groups, which are available for inspection. Please contact the election management ([wahlen.hshd@srh.de](mailto:wahlen.hshd@srh.de)) or the contact persons in the respective election committees (list on padlet).

### 4. Invitation to submit election proposals in accordance with § 6 of the election statutes

All persons of the affected voter groups can make election proposals for their status group. For eligibility and the groups, see points 3 and 1 above! When submitting nominations, **please note that the committee language is German!**

Please be sure to use the form for the election proposal:

[Form for the election proposal student representatives](#)

The election proposal must state:

- Candidate for election with surname, first name, campus, degree programme (only one person per nomination)
- Electoral area (please select the Council of the respective school)
- Confirmation that the candidate agrees with the election proposal (otherwise the proposal is invalid) → is not required for a self-application

The election proposals are automatically sent to the election management after submission in Forms.

If you are running for multiple committees or proposing multiple individuals, the form must be completed once for each submitted candidacy.

### 5. Deadline for submission of nominations

DEADLINE for the submission of nominations: **12.12.2025**
